

2 Year Completion Plan for the Historic Preservation Major

The following table outlines a two-year pathway for completing a major in Historic Preservation in two years. **Students intending to major in Historic Preservation must meet with the Department Chair as soon as possible.**

Historic Preservation Scheduling Plan		
Year	Course	Credits in the HISP major
Freshman/Sophomore		-
		-
		-
		-
		-
Fall 3 rd Year	HISP 101	3
	HISP 205**	3
	HISP 200* or elective	3
Spring 3 rd Year	HISP 102	3
	HISP 209	3
	HISP 305	3
	HISP 207 or elective	3
TOTAL		
Fall 4 th Year	HISP 405	3
	HISP 461 or 462 or elective***	3
	HISP 200 or elective	-
Spring 4 th Year	HISP 463 or 469 or elective***	3
	HISP 320	3
	HISP 207 or elective	3
TOTAL		
* HISP 200 should be taken in the first fall semester by students who want to minor in Museum Studies. This requires a meeting with the department chair.		
** Taking HISP 101 and 205 simultaneously requires an exception. The student must first meet with the department chair.		
*** Each student must take one lab (461, 462, 463, or 469) and two electives.
