BECOME A GERMANNA MENTOR!

MENTOR PROGRAMS

Germannanna Community College offers two programs that pair students with adult mentors.

Great Expectations

The Great Expectations program helps current and former foster youth transition into college. In this statewide program, founded in 2008, students receive one-on-one mentoring, workshops and training, and participation in social activities.

The mission of the program is to help Virginia's foster youth complete high school, gain access to a community college education and transition successfully to living independently.

Gladys P. Todd Academy

The Gladys P. Todd Academy program is for underserved high school students in the City of Fredericksburg and the county of Spotsylvania to increase college preparation and completion at least through an associate degree at Germanna, concurrent with a high school diploma.

Students who enroll in this 2 year program have all expenses covered by supporting partners.
