*Use ONLY for interdisciplinary majors that will be grouped as part of the “Special Majors/General Liberal Arts and Sciences” degree (CIP Code 24.0101) or reported as a BLS degree (CIP Code 24.0199)

Implementation Date (semester and year): [ ]

REQUIRED ATTACHMENTS FOR NEW PROGRAMS NOT REQUIRING STATE APPROVAL:
1. **Rationale statement** (Why is this additional program needed? What purposes will it serve?)
2. **Impact Statement** (Provide details about the Library, space, budget, technology, staffing and curricular impacts created by this program change. Supporting statements from the Library, IT Department, etc. evaluating the resource impact and feasibility of adding the new program are required.)
3. **Catalog Copy** (Provide the complete Catalog Description for the proposed new program)
4. **Any change that impacts another Department must have a written statement (such as a copy of an email) from the Chair(s) agreeing to the change.**

Department Chair Approval: Pam McCullough  
Date: 02/10/2017

CCC Chair Approval: Surupa Gupta  
Date: 3/2/17

Date: 3/31/17

Dean Approval:

UCC Chair Approval:  
Date: 9/20/17

*Provost Approval:  
Date: 

*Required only in cases of proposals for new concentrations, new minors, or new majors that do not involve a new degree

Program Change Proposal Cover Sheet (March 2016)
Rationale
The BSN Completion *Program Change Proposal* is being submitted to update catalog entries following curriculum changes.
- The BSN Completion Program requires MATH 200 *Introduction to Statistics*, or equivalent. MATH 200 has been approved to change to STAT 180.
- NURS 420 was approved to change to NURS 440.
- NURS 510 was approved to change to NURS 540.
- NURS 420/440: The field work experience hours listed in the catalog was incorrectly listed as 23 hours. 16 hours was reported and approved by CCNE, the nursing accrediting body.
- SOCG 371U *Death and Society* has been changed to SOCG 355 *Death and Society*.

Impact: None

</tr>
<tr>
<td>440 – Community and Population Health (3) Prerequisites: MATH 200 and NURS 310. This course examines population-focused nursing. Improving population health through health promotion, disease and injury prevention across the lifespan for individuals, families, groups, communities and populations will be explored. Fundamentals of epidemiology and biostatistics will be introduced. Primary, secondary and tertiary care will be differentiated. The national health initiative Healthy People 2020 will be utilized. The registered nurse <em>develops a program</em> for an assigned community. This course includes 23 hours of field work experience in the assigned community.</td>
