JUSTIFICATION (including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required)

CPSC 103 was created by a faculty member who has since retired. Some course content has become outdated and other content has been absorbed by other courses. The course has not been offered in several years and current faculty do not see offering it.

TRANSITION PLAN (describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)

Expedited course changes are posted for a 10-class day comment period. If no comments are raised during that time, the proposal becomes final. All expedited proposals approved in this way will be noted on Expedited Course Change Cover Sheet (July 2012)
If comments are raised, the proposal may be reviewed by the UCC and then approved or it may be returned to the CCC for additional deliberation (as required).
