JUSTIFICATION (including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required)

These changes recognize that we are shifting our 1-semester methods course (HIST 299) to a 2-semester methods course sequence (HIST 297-298). HIST 298 will be the new pre-requisite for the courses that currently require HIST 299 as a pre-req.

TRANSITION PLAN (describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)

By counting either HIST 299 or HIST 298 for now, we are facilitating the transition from the former to the latter. As we transition to only offering HIST 297-298, and after current students who had 299 graduate, we will remove HIST 299 from the prerequisite list as well.
