JUSTIFICATION (including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required)
As a course studying films from Spain, the Spanish faculty believe that a prerequisite course in Spanish civilization and culture is also appropriate to course content.

TRANSITION PLAN (describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)
No need to transition since students under old major could still take the course with the current prerequisite. This would only add flexibility.
