**JUSTIFICATION (including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required)**

**Rationale:** These additions make the catalog description more in keeping with the range of courses that have been taught under these course numbers and additionally would facilitate transfer of some advanced courses taken abroad. These additions would also serve to make 481 and 485 parallel offerings on topics from Spain and Latin America.

**TRANSITION PLAN (describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)**

No need to transition since the change is descriptive only.
