*This course number must be approved by the Office of the Registrar before the proposal is submitted.

**To cross list courses between departments/colleges, there should be two cover sheets submitted with the proposal – one by the chair of each department with signatures from the relevant College Curriculum Committee Chair.

Effective Date: FALL Semester, Year 2018

Current Catalog Entry	Proposed Catalog Entry (suggested length – less than 50 words)
[Title only:] Music of Non-Western Cultures	[Title only:] Musics of the World

JUSTIFICATION (including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required). **Any change that impacts another Department must have a written statement (such as a copy of an email) from the Chair(s) agreeing to the change.**

“Non-Western” is no longer current in the discipline; the unconventional plural “musics” is to signify that music—like language—can exist as independent, autonomous entities as well as interrelated webs.

TRANSITION PLAN (describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)

Approvals

Department Chair James Brooks Kuykendall

College Curriculum Chair Don M. Butler

Expedited course changes are posted for a 10-class day comment period. If no comments are raised during that time, the proposal becomes final. All expedited proposals approved in this way will be noted on the UCC web site. If comments are raised, the proposal may be reviewed by the UCC and then approved or it may be returned to the CCC for additional deliberation (as required).
