Current Catalog Entry	Proposed Catalog Entry (suggested length – less than 50 words)
<b>491 – Individual Study (1–4)</b> Prerequisite: permission of the instructor and the department. Investigation of a topic which may include laboratory, field work, and literature research. Course of study determined by supervising instructor and student.	<b>491 – Individual Study (1–4)</b> Prerequisite: permission of the instructor and the department. Investigation of a topic which may include laboratory, field work, and literature research. Course of study determined by supervising instructor and student. <b>A maximum of four (4) credits may count toward the major requirements.</b>

**JUSTIFICATION** (including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required). **Any change that impacts another Department must have a written statement (such as a copy of an email) from the Chair(s) agreeing to the change.**

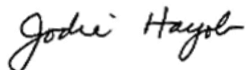

Limiting the total number of credits of EESC 491 Individual Study that a student can count in any of our EESC majors will help ensure that our students take sufficient coursework to have the necessary content and background to be competitive in the workforce and in graduate programs. There are no impacts on resources, staffing, or general education courses.

**TRANSITION PLAN** (describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)
