JUSTIFICATION (including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required). **Any change that impacts another Department must have a written statement (such as a copy of an email) from the Chair(s) agreeing to the change.**

The MBUS course numbers are all designated at this time in the Registrar's system. This makes changing numbers and adding new courses challenging. This change will allow for all MBA courses to be renumbered.

TRANSITION PLAN (describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)

No specific actions are necessary to transition since this is a simple renumbering of existing courses.
