**JUSTIFICATION**

(including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required)

We are removing the offering of private instruction in baritone from the trombone course number and description. Because the baritone is a valve instrument, it is inappropriately placed in the trombone studio; moving it to the tuba studio is a stronger alignment.

**TRANSITION PLAN**

(describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)
