JUSTIFICATION (including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required)
For student recruitment and transparency, we are realigning courses in music technology under a separate abbreviation, MUTC. This follows the practice of other National Association of Schools of Music accredited schools. We are eliminating the prerequisites because we seek to delete those courses from the Catalog with the current proposal.

TRANSITION PLAN (describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)
This is not a required course.
