Current Catalog Entry
181 – Music Theory I (3)
A conceptual explanation of basic music vocabulary and sound resources–rhythm, meter, modes, scales, clefs, intervals, notation, acoustics–with musical examples.

Proposed Catalog Entry
181 – Materials and Sources for Music Theory (3)
A conceptual explanation of basic music vocabulary and sound resources–rhythm, meter, modes, scales, clefs, intervals, notation, acoustics–with musical examples.

JUSTIFICATION (including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required)
In a revision of the major curriculum, the faculty wishes to maintain the introductory course in music theory for non-majors. For the sake of clarity, this new title individuates it from the new music theory sequence for majors which is sequential through a maximum of five semesters. The content of the course remains the same.

TRANSITION PLAN (describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)
