**JUSTIFICATION** *(including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required)*

This changes represents a much-needed alignment of the title and description to the content of the course as it has changed over the 40+ years it has been offered at UMW. For the last 20 years, the course content has evolved to reflect a variety of arts disciplines and leadership theories, models, and approaches; this change strengthens the offering with a title and description that accurately describes the offering.

**TRANSITION PLAN** *(describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)*
