JUSTIFICATION (including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required)

ACCT 110 is the equivalent of the course sequence ACCT 101 and 102. The catalog description erroneously states that it is a substitute. This proposal corrects that error.

TRANSITION PLAN (describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)

The correction will be made and there will be no deleterious impact on the students.
