JUSTIFICATION (including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required)

This clarifies the existing prerequisites for the course. Econ 300 is a prerequisite for Econ 361. Adding Econ 300 as a prerequisite for Econ 462 in the course descriptions adds additional clarity (but does not change the course or requirements).

TRANSITION PLAN (describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)
