### JUSTIFICATION (including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required)

Nothing in the course content requires that students have completed their lab science general education requirement.

### TRANSITION PLAN (describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)

(This description change will not affect students in a way that would require a transition plan.)

### Approvals

  Date: 7 July 2015

- College Curriculum Chair:  
  Date: 9/17/15

Expedited course changes are posted for a 10-class day comment period. If no comments are raised during that time, the proposal becomes final. All expedited proposals approved in this way will be noted on the UCC web site.

If comments are raised, the proposal may be reviewed by the UCC and then approved or it may be returned to the CCC for additional deliberation (as required).
