**JUSTIFICATION** *(including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required)*

Any change that impacts another Department must have a written statement (such as a copy of an email) from the Chair(s) agreeing to the change.

In conjunction with our proposed program changes, and more specifically our creation of a series of advanced literature/culture course, we would like to include this course within the series. Consequently, we felt that this course should be renumbered (from FREN 320 to FREN 335) to reflect its level (higher than that of the introductory literature courses, 326 and 327) and its grouping with the newly proposed courses (330-334). We also feel that the prerequisites should be updated to be consistent with those of the other courses within the group.

**TRANSITION PLAN** *(describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)*

This change does not have any on affect students who have already begun working on their French Major, French Minor, or Business French Minor.
