JUSTIFICATION (including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required).

Any change that impacts another Department must have a written statement (such as a copy of an email) from the Chair(s) agreeing to the change.

Previously 2 of the 3 survey of literature courses were pre-requisites to 411 along with 311 and 312.

However, there are multiple reasons to exclude the survey courses from the prerequisites:
1) Literature has no direct bearing on the students’ preparation or chance for success in 411.
2) In practice, we have routinely made exceptions for students who didn’t have the survey.
3) In the past requiring the survey has proven problematic in allowing the students to complete their major in a timely fashion.

TRANSITION PLAN (describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)

This change does not have any on affect students who have already begun working on their French Major, French Minor, or Business French Minor.
