JUSTIFICATION (including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required)

We would like to update the catalog description for the course to list the most recent titles associated with this course.

TRANSITION PLAN (describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)

Expedited Course Change Cover Sheet (July 2014)
No transition plan is required as this only changes the catalog description.
