JUSTIFICATION (including impact on majors, minors, concentrations, and general education courses within the University curriculum; attach additional pages if required)

This change to the title makes the course more flexible and able to be taught by various faculty members, and in addition represents a broader field of film studies in Spanish.

TRANSITION PLAN (describe how will students who are in Catalogs where the course is required for a major be accommodated; attach additional pages if required)

Only the title has changed. The course will count in the same way.
