## RATIONALE:

PSCI 313 (U.S. Federal Judiciary) was previously a special topics course in political science that had counted as a possible American Studies elective. PSCI 313 was created as a new course by action of the CAS Curriculum Committee in January 2014 – this proposal merely updates the AMST elective list to account for the formal establishment of PSCI 313 in the curriculum.

## IMPACT STATEMENT:

No library, space, budget, technology or other impacts are created by the addition of PSCI 313 to the AMST program.
