To seek a waiver of prerequisites, students should contact the appropriate department and submit a Permanent Waiver of Prerequisite or Corequisite form to the Office of Academic Services. Students must register in person in the Office of the Registrar for any course for which a prerequisite is being waived.

Withdrawing With A GPA of Less Than 2.0

Any student voluntarily withdrawing from UMW with a GPA of less than 2.0 must apply for readmission through the Committee on Academic Standing. Contact the Office of Academic Services for more information.

Pass/Fail Option

The pass/fail option may be used only for elective courses. Courses taken **pass/fail** do not count for general education, ATC requirements, or the major program.

Accessing Online Course Information – prerequisites, corequisites, and more

Find the links to online schedules of courses at www.umw.edu/registrar/course_schedules_registrar. The schedules include all courses and information about each course. To learn about any restrictions for any course, such as prerequisites or corequisites, find the course in the listing, which will be followed by columns listing information about the course. Look under the column headings “CO” for corequisites and “PR” for prerequisites. If any of these categories contain the letter “Y,” there is more information about the course that students will need to have before registering for it. To find that information, click on the CRN number. This will take you to the section. Click on the title to review any restrictions.

Registration in Closed Classes = CC Permit

Students may register for courses that are closed or full. If the instructor gives the closed class permission, two separate actions must occur to complete registration for a closed course:

1. The instructor must put the closed class permission on the student's record in Banner.
2. Once permission has been entered, the student must register for the course. It is the student's responsibility to do so. To register, the student must add the Course Registration Number, CRN, at the bottom of the registration page, then click “submit.” Students must complete the registration process for closed courses in order to receive credit for them.

NOTE: If the course requires POI and is closed, the instructor must put **both** codes on the student record before the student may register.

Registration in Permission of Instructor Classes = POI Permit

Students may register by permission of the instructor for courses that are marked POI. If the instructor gives permission, two separate actions must occur to register for a POI course:

1. The instructor must put the permission of instructor code on the student's record in Banner.
2. Once permission has been entered, the student must register for the course in order to receive credit.

NOTE: If the course requires POI and is closed, the instructor must put **both** codes on the student record before the student may register.

High School Students

High school students who will be seniors in the fall are eligible to take classes in either the spring or fall, **but before registering for classes** they must be accepted to University of Mary Washington for the semester for which they wish to register. Students and their parents must complete an application form. At least two weeks before the start of the semester in which the student plans to enroll, students must submit the completed application form, an official high school transcript, and a letter of support from the student's principal or high school guidance counselor. Students will be notified of their acceptance in time to register for classes. Materials may be mailed to the Office of Academic Services, University of Mary Washington, 1301 College Avenue, Fredericksburg, VA 22401-5358.

Payments, Refund Policy, and Procedure for Withdrawing or Dropping Courses

Payment of FALL Semester Fees

All Fall 2010 semester payments for continuing students must be received in the Office of Student Accounts by the due date on the student's bill which will be posted in Eaglepay. For students receiving financial aid, awards will appear as credits on the fall 2010 semester bill in the amount of one-half of the annual award. For the account to remain in good standing, any balance not covered by financial aid or Guaranteed Student Loan proceeds must also be paid by the due date on the student's bill, which will be posted in Eaglepay. Any payment received after the posted date will be considered late, and a late payment fee of 10 percent of the outstanding balance may be assessed. **Failure to pay tuition and fees does not serve as a student's notice of cancellation of classes, nor does it relieve the student of the responsibility of submitting a notice of cancellation in writing before the first day of classes.**

Students who decide not to attend the University after registering for the fall term but before the first day of classes must immediately notify both the Office of the Registrar and the Office of Student Accounts. After the first day of classes, any registered student, regardless of class attendance, is liable for payment of all fees per the schedule below. Any absence from continuous enrollment at UMW may affect a student's UMW general education and/or UMW major requirements for graduation. **Before** discontinuing attendance, students should consult with the Office of Academic Services or the Office of Advising Services at the Stafford Campus to ensure that they will be returning under the **same** degree requirements.
