# WELCOME TO SUMMER SESSION 2011!

With over 200 courses available, the summer session schedule at UMW includes a full range of classes that will help you meet your major, concentration, general education, or elective requirements.

Each of UMW's colleges has put together a strong schedule of summer courses. In the College of Arts and Sciences, the variety of options is sure to suit a broad range of student interests and needs: photography, international cinema, graphic novels, money and banking, and gender and society are just a few of the choices. A full range of courses fulfilling general education requirements are also available – see page 8 for the complete list. For students in the College of Business, a number of courses that are sometimes hard to get (accounting, business communication, decision analysis) are on the schedule along with interesting electives in customer service and operations management, plus a comprehensive slate of graduate courses for students in the College of Education, the summer schedule is built to accommodate graduate students' program completion in a timely fashion; and undergraduate offerings ensure students are on track for degree and licensure requirement completion.

To view the course schedule, go to www.umw.edu/registrar. Then, select the option for "Course Schedules and Registration," then the option for "Schedule of Courses," and follow the instructions provided. Be sure to select Summer 2011 as the term and then the appropriate campus in order to see the courses being offered.

Students take summer session courses for many reasons. Some attend to get ahead on their work toward a degree while others use the summer to catch up by taking a course they need and haven't been able to get. Some visiting students take summer courses that they will transfer to another college or university. Qualified high school students use the summer session to experience the challenges of college-level work. Members of the local community find that taking a summer class offers a great chance to learn more about a topic of interest.

Contact the Office of the Registrar if you have questions about enrolling in summer courses. To learn about the objectives and requirements of any of the courses being offered, contact the instructor.

# SUMMER CAMPUS SERVICES (CONTINUED)

During the summer sessions, students may park in any student space on campus.

**Multicultural Center:** Multicultural Student Affairs (and the James Farmer Multicultural Center) strives to facilitate students' learning and personal development, including that of under-represented groups, by increasing students' awareness and knowledge of diversity issues that frame both the individual and the community. The Center is located in Lee Hall, room 211.

**Transcript Services:** Students requiring an official transcript to be sent to another institution or agency at the end of the summer session must complete a transcript request in the Office of the Registrar, located in Lee Hall, room 206. Transcripts displaying summer grades will be mailed within two weeks of the completion of the summer session. Students may also request assistance on the Stafford campus or online at www.umw.edu/registrar/transcripts/default.php

# ACADEMIC POLICIES

All academic regulations are in effect during the summer session. Students taking courses at the Stafford campus should consult the academic policies for that campus, found at www.umw.edu/orientation/stafford/advising/ academic\_policies.php

Students taking courses at the Fredericksburg campus should review the Dictionary of Academic Regulations, available from the Office of Academic Services or online at www.umw.edu/publications/dictionary\_ar\_fburg. Academic Services is located in Lee Hall 206.

Below are specific policies, procedures, and regulations that apply generally to both campuses.

**Course cancellations:** Classes shown in the Schedule of Courses will be taught except for when unforeseeable circumstances arise. In the unlikely event a course is cancelled, the student will be given the option of enrolling in another course or receiving a full refund.

**Course load maximums (undergraduate students):** During the summer session, students may take a maximum of 18 credits. The maximum allowable course load in one five-week term is nine credits. Students wishing to exceed nine credits in one five-week term must receive permission from the Office of Academic Services for an overload.

**Dropping or withdrawing from a course:** Discontinuing attendance in a course does not constitute dropping the course. A course is not officially dropped unless the student has dropped the course online or completed the appropriate form in the Office of the Registrar or at the Stafford campus. Consult the calendars published in this document for deadlines.

Services for Students with Disabilities: The Office of Disability Resources coordinates reasonable and appropriate accommodations for qualified students with disabilities. These accommodations may include, but are not limited to, extended time on tests, note-taking assistance, sign language interpreters, enlarged print materials, permission to tape record lectures, and distraction-reduced testing sites.

In order to receive services, students must provide appropriate professional documentation of a substantially limiting disability and discuss appropriate accommodations with the Director of Disability Resources. Documentation guidelines for specific disabilities may be found on the Disability Resources website at www.umw.edu/disability or by requesting it from the office at (540) 654-1266. The Director verifies the disability, assists in arranging reasonable accommodations, and acts as a liaison between students, faculty, and administration on issues relating to services or accommodations. The Office of Disability Resources is located in Lee Hall, room 401.

**Incomplete grades:** An incomplete grade is ONLY granted when the course work cannot be completed due to extensive illness or serious emergency in the final days of the term. Students taking courses on the Fredericksburg campus must contact the Associate Dean for Academic Services to make arrangements for an incomplete. Students taking courses on the Stafford campus should contact the Office of Advising Services. These offices, in conjunction with the instructor, will approve or disapprove the request for the incomplete. If approved, the course work for the incomplete must be finished and the grade change submitted to the Office of the Registrar by the instructor no later than the "Last Day to Withdraw from a Course" during the fall term.

**Instructor-initiated drops:** An instructor may drop a student from a class roster if the student fails to come to the first meeting of any class. Students who will miss the first class for legitimate reasons should contact the instructor in advance and make the necessary arrangements for keeping up with material that will be missed.

**Pass/Fail:** Students may take only one course during the entire summer session on a pass/fail basis. A grade of "PA" (pass) does not have an effect on the grade point average; however, a grade of "FA" (fail) counts the same as an "F" in a graded course and will lower the grade-point average. Pass/fail grades are not the same as "S/U" grades (satisfactory, unsatisfactory) that are used to evaluate physical education courses. Courses taken pass/fail do not fulfill major or general education requirements.

**Refunds:** Refunds for courses dropped are granted according to the refund schedule published on page 4.

**Repeating a Course:** Students who have received a grade of "C-" or lower may repeat that course if they have not already received credit for a higher-level course for which the repeated course is a prerequisite. Repeated courses must be taken for graded credit. No more than two courses may be repeated during the entire summer session.

# GENERAL EDUCATION REQUIREMENTS

A degree-seeking UMW student must complete the general education credits/courses as required by the degree program in which the student is enrolled. General education requirements may be completed by UMW coursework or by approved equivalent transfer coursework, as defined by the University's transfer credit policies. With the exception of an internship taken to fulfill the Experiential Learning requirement, no General Education coursework may be completed on a pass/fail basis. To count for General Education purposes, a course MUST be designated as a General Education course in the official Schedule of Courses for the semester it is taken. Upper-level BPS general education courses scheduled for summer 2011: BPST 311, 312, 316. Writing Intensive and Speaking Intensive courses: BPST 311, 312. Writing Intensive course: COMM 315. Global Inquiry courses: BPST 314, LRSP 306.

#### **REGISTERING FOR SUMMER SESSION COURSES:**

#### Online course lists and registration instructions

1. Online registration for summer session will be available beginning March 7, 2011, for continuing UMW degreeseeking students. Detailed instructions for using the online registration system are available at www.umw.edu/registrar/course\_schedules\_registrat/online\_registration\_in\_ban/default.php.

2. Advisors will not assign Registration Permission Numbers for summer session registration, although students are strongly encouraged to consult with their advisors about courses they plan to take in the summer. Please note: **M.Ed. students at the Stafford campus must meet with their faculty advisors and are required to get a RPN from the advisors before they may register.** 

3. Registration appointment times are not assigned for summer session registration. Students may go online to register at any time starting on March 7 until registration closes.

4. THE SCHEDULE OF SUMMER SESSION COURSES is available at www.umw.edu/registrar/course\_schedules\_registrat.

This schedule is dynamic and is updated as soon as any course changes occur.

Select the option for "Schedule of Courses," term summer 2011, and then the campus where you wish to take classes to see a listing of all courses. Select the option for "Open Courses" (with the same term and college) to see a list of courses in which spaces are available.

5. Registration for courses requiring special permission of any kind (to take an overload, to take a course out of sequence, etc.) must be done in person at the Academic Services Office (Lee Hall) or the Office of Advising Services at the Stafford campus. Necessary forms, signed by all required parties, must be presented at the time of registration.

6. Registration for the fall 2011 semester overlaps part of the summer session registration period. Students will be able to register for fall 2011 during the assigned appointment times only and a Registration Permission Number (assigned by the advisor) will be required. (For Stafford campus students, only the M.Ed. program requires these numbers for registration.)

7. Prior to registering, students should check to see that there are no **holds** on their record. Students may see if there are any holds by selecting the "View Holds" option from the student menu in Banner. Holds will prevent students from registering online for the summer session, just as they do during online registration for the fall and spring semesters. Contact the appropriate office about a hold to resolve the problem and have the hold released. Once the hold is released, a student will be able to register.

8. When registering online or making schedule changes, STUDENTS SHOULD PRINT A COPY OF THEIR SCHEDULE.

9. NOTE: Once students have registered for summer classes, they will not be able to drop their last summer course without the assistance of a staff member in the Office of the Registrar.
