Many of UMW's departments and programs on both campuses are offering courses, and several of these are only available in the summer session. Regardless of your degree program, the summer schedule includes a full range of classes that will meet major or concentration requirements, and there are also a variety of courses for undergraduates that satisfy general education and "across-the-curriculum" requirements. For graduate students, there are both required and elective courses from which to choose. Take a look inside this booklet for details about registering for summer courses that will meet your needs.

To view the course schedule, go to www.umw.edu/registrar. Then, select the option for "courses and registration," then the option for "Schedule of Courses," and follow the instructions provided. Be sure to select Summer 2007 as the term, and then the appropriate College in order to see the courses being offered.

Students join our summer session for many reasons. Some attend to get ahead on their work toward a degree while others use the summer to catch up by taking a course they need and haven't been able to get. Some students take summer courses that they will transfer to another college or university. Qualified high school students use the summer session to experience the challenges of college-level work. Members of the local community find that taking a summer class is a great chance to learn more about a topic of interest.

This booklet contains additional information about enrolling in summer courses. To learn details about the objectives and requirements of any of the courses being offered, your best bet is to contact the course instructor for more information.

An adviser's signature is not required for summer session enrollment; however, it is strongly recommended that you speak with your adviser to assure that the courses you have chosen will help you complete degree requirements. Non-degree students intending to apply for admission to a University of Mary Washington degree program must do so before completing 30 credits of graded work at Mary Washington.

Continuing UMW students may register by mail (see the addresses below), by walking in to the Registrar's Office or to the CGPS, or online via Banner. Students who attend other institutions and new non-degree students who have not attended UMW during the 2006-2007 academic year are welcome to attend the summer session (high school students see section in next column). Admission for attendance during the UMW summer session is not an admission to a degree program at the University. Students wishing to apply for admission to a degree program should contact the Office of Admissions in Lee Hall or at the CGPS.

Summer session housing will be coordinated by the Office of Residence Life. Students wishing to reside on campus should complete and return the Housing Application which is a formal commitment for summer housing. Summer housing is located in an air-conditioned residence hall and most rooms will be double occupancy (please see the section on Tuition and Fees for room costs). Single rooms will be available only as space permits. If available, singles will be limited and early registration is encouraged. All residence life and housing policies are in effect during the summer session; these can be found in the Student Handbook. If a specific roommate is requested for the summer session, each student must request the other on the Housing Application form.

SUMMER CAMPUS SERVICES

(For more information regarding opportunities and services, please see the Student Handbook. See page 1 for important phone numbers.)

Computer Facilities: There are four computer labs in the basement of Trinkle Hall. Room B-12 is a PC lab (Windows and Linux), B-13 is a Solaris/UNIX lab, B-8 is a Macintosh lab, and B-10 is also a PC lab (Windows only). Hours of operation and availability of student aide assistance for these labs will be posted.

Bookstore: The University Bookstore sells the textbooks required for courses taught on the Fredericksburg campus. CGPS students order textbooks online at www.umw.edu/cgps/students/default.php. A wide range of instructional supplies, office supplies, personal items, gifts, greeting cards, and other items can be purchased in the Bookstore.

Financial Assistance: UMW provides limited part-time employment opportunities to assist students in meeting summer session costs. For information and applications, contact the Office of Financial Aid at (540) 654-2468.

Grades: Grades for all students will be available online at the end of each of the summer terms. To view grades online, select the "Final Grades" option from the student records menu in Banner self service.

Health Center: The Health Center will operate during the summer session. All residential students wishing service, including emergencies, must have a Medical Information form on file in the Health Center. Continuing UMW students may use their Medical Information form that is already on file. Non-continuing summer residential students must complete the Health Form and submit it to the Health Center.

Identification Cards: Student identification cards are obtained through the EagleOne ID Card Center located on the ground floor of Woodard Campus Center, across from the Wash Room. ID cards are needed for meals, EagleOne, and Library checkout. They are also needed for admission to the gym, tennis courts, and University-sponsored events. The card is the property of the University and is not transferable and may not be loaned.

Internships: Internships for the summer may be arranged through the Office of Career Services, located in George Washington Hall, Rm. 305 and also at the CGPS. All internships for the summer must be registered by June 1, 2007.

Library: The Simpson Library's dynamic information portal "eaglei" (www.library.umw.edu) provides access to news, weather, guides to library services, subject specific research guides, links to library resources and the library's on-line

catalog. The library has an extensive collection of print format books, and periodicals in addition to a wide array of online resources ranging from full-text books, periodicals and indexes. Our reference desk is staffed with librarians who provide assistance in student's research needs. The summer session hours of operation at the main library are Monday through Thursday 8:00 a.m. to 7:00 p.m. and Friday 8:00 a.m. to Noon. The CGPS Library's summer hours are Monday through Thursday, 3:00 p.m. to 9:00 p.m., and Saturday, 9:00 a.m. to 3:00 p.m.

Meals: Summer session residential students are required to purchase \$265 in Flex for summer meals. This money can be used for any meals throughout the 5 weeks. If not used, at the conclusion of the summer session, it reverts to the University. It is only refundable if a student withdraws under the rules of the University. If additional money is needed during the session, it may be added to the student's EagleOne account at the ID Card Center. This additional money is refundable under the rules of the EagleOne Card.

Motor Vehicle Registration: All motor vehicles operated by University of Mary Washington students must be registered with the Office of Campus Police within 24 hours of bringing the vehicle to campus in order to be allowed parking privileges on campus. Failure to register a motor vehicle will result in both a fine and a review of privileges to operate a motor vehicle on campus. In order to register a vehicle, a student should bring both a valid operator's license and vehicle registration to the Office of University Police in Lee Hall, Rm. 104B.

Parking: Students should not park vehicles in areas designated for faculty/staff parking or on the residential streets in the vicinity of the University. Illegally parked cars will be ticketed. For more information, see the Parking Regulation booklet.

Multicultural Center: Multicultural Student Affairs (and the James Farmer Multicultural Center) strives to facilitate students' learning and personal development, including that of under-represented groups, by increasing students' awareness and knowledge of diversity issues that frame both the individual and the community. The Center is located in the Woodard Campus Center.

Transcript Services: Students requiring an official transcript to be sent to another institution or agency at the end of the summer session must complete a transcript request in the Office of the Registrar, George Washington Hall, Rm. 215, and pay the \$5.00 fee required for each official copy. Transcripts displaying summer grades will be mailed within two weeks of the completion of the summer session.

Services for Students with Disabilities: The Office of Disability Services coordinates reasonable and appropriate accommodations for qualified students with disabilities. These accommodations may include, but are not limited to, extended time on tests, note-taking assistance, sign language interpreters, enlarged print materials, permission to tape record lectures, and distraction-reduced testing sites.

In order to receive services, students must provide appropriate professional documentation of a substantially limiting disability and discuss appropriate accommodations with the Director of Disability Services. Documentation guidelines for specific disabilities may be found on the Disability Services web site at www.umw.edu/disability or by requesting it from the Office at 540-654-1266. The Director verifies the disability, assists in arranging reasonable accommodations, and acts as a liaison between students, faculty, and administration on issues relating to services or accommodations.

ACADEMIC POLICIES

All academic regulations are in effect during the summer session. Students taking courses at the College of Graduate and Professional Studies (Stafford campus) should consult the academic policies for that campus found at www.umw.edu/publications/catalogue_gp_06/07/academic_rules_regulations/default.php.

Students taking courses at the College of Arts and Sciences (Fredericksburg campus) should review them in the Dictionary of Academic Regulations available from the Office of Academic Services, George Washington Hall, Rm. 203 or online at www.umw.edu/publications/dictionary_ar_fburlg/default.php.

Below are specific policies, procedures, and regulations that apply generally to both campuses.

Auditing: Auditing (sitting in on a course for no credit) is allowed by written permission of the instructor in courses in which space is available. The fee to audit is \$30 per credit hour.

Course Cancellations: Classes shown in the Schedule of Courses will be taught except for unforeseeable circumstances. In the unlikely event a course is cancelled, the student will be given the option of enrolling in another course or receiving a full refund.

Course Load Maximums: During the summer session, students may take a maximum of 14 academic credits, plus two credits of physical education. The maximum allowable course load in one 5-week session is 8 credits.

Dropping or Withdrawing from a Course: Discontinuing attendance in a course does not constitute dropping the course. A course is not officially dropped unless the student has dropped the course online or completed the appropriate form in the Office of the Registrar, George Washington Hall, Rm. 215, or at the CGPS. Consult the calendars published in this document for deadlines.

Incomplete Grades: An incomplete grade is ONLY granted when the course work cannot be completed due to extensive illness or serious emergency in the final days of the term. Students taking courses on the Fredericksburg campus must contact the Associate Dean for Academic Services to make arrangements for an incomplete. Students taking courses on the Stafford campus should contact the Office of Advising Services. These offices, in conjunction with the instructor, will approve or disapprove

the request for the incomplete. If approved, the course work for the incomplete must be finished and the grade change submitted to the Office of the Register by the instructor no later than the "Last Day to Withdraw from a Course" during the fall term.

Instructor-Initiated Drops: An instructor may drop a student from a class roster if the student fails to come to the first meeting of any class. Students who will miss the first class meeting for legitimate reasons should contact the instructor in advance and make the necessary arrangements for keeping up with material that will be missed.

Pass/Fail: Students may take only one course during the entire summer session on a pass/fail basis. A grade of PA (pass) does not have an effect on the grade point average; however, a grade of FA (fail) counts the same as an F in a graded course and will lower the grade-point average. Pass/fail grades are not the same as S/U grades (satisfactory, unsatisfactory) that are used to evaluate physical education courses. Courses taken pass/fail do not fulfill major or general education requirements.

Refunds: Refunds for courses that are dropped are granted according to the refund schedule published in this document.

Repeating a Course: Students who have received a grade of "C-" or lower may repeat that course if they have not already received credit for a higher-level course for which the repeated course is a prerequisite. Repeated courses must be taken for graded credit. No more than two courses may be repeated during the entire summer session.

Each student must complete the required number of credits in all of the eight GOAL areas and the five ACROSS-THE-CURRICULUM areas. Online course lists and registration instructions

1. Online registration for summer session will be available beginning March 12, 2007 for continuing UMW degree-seeking students. Detailed instructions for using the online registration system are available at www.umw.edu/registrar/courses_registration/online_registration_in_ban/default.php

2. Advisors will not assign Registration Permission Numbers for summer session registration, although you are strongly encouraged to consult with your advisor about courses you plan to take in the summer. Please note: **M.Ed. students at CGPS must register with their faculty advisor.**

3. Registration appointment times are not assigned for summer session registration. You may go online to register at any time starting on March 12 until registration closes.

4. THE SCHEDULE OF SUMMER SESSION COURSES is available at www.umw.edu/registrar/course_schedules_registrat/default.php

This schedule is dynamic, and is updated as soon as any course changes occur.

Select the option for "Schedule of Courses," term summer 2007, and then the College where you wish to take classes to see a listing of all courses. Select the option for "Open Courses" (with the same term and college) to see a list of courses in which spaces are available.

5. Registration for courses requiring special permission of any kind (to take an overload, to take a course out of sequence, etc.) must be done in person at the Registrar's Office or the Office of Advising Services at CGPS. Necessary forms, signed by all required parties, must be presented at the time of registration.

6. Registration for the fall 2007 semester overlaps part of the summer session registration period. You will be able to register for fall 2007 during your assigned appointment time only and a Registration Permission Number (assigned by your advisor) will be required.

7. Prior to registering, be sure to check to see that there are no **holds** on your record. You may see if there are any holds by selecting the "View Holds" option from the student menu in Banner. Holds will prevent you from registering online for the summer session, just as they do during online registration for the fall and spring semesters. Contact the appropriate office about the hold to resolve the problem and have the hold released. Once the hold is released, you will be able to register.

8. When registering online, or making schedule changes, BE SURE TO PRINT A COPY OF YOUR SCHEDULE.
