WELCOME TO SUMMER SESSION 2016! - *A great time to catch up, get ahead, or try something new*

Each of UMW's three colleges has a strong schedule of undergraduate and graduate courses. Courses that meet major or concentration requirements are scheduled along with courses that fulfill general education requirements (see page 8 for the complete list). With 168 courses available, the summer session schedule at UMW has an assortment of interesting classes in a wide variety of subject areas: arts, business, education, English, languages, literature, philosophy, mathematics, sciences, and social sciences (to name just a few).

Summer classes are smaller and the course load in any one term is more limited and that makes it easier to focus on each class.

In an effort to provide increased flexibility and variety, even more courses will be offered in fully online formats. Forty-one (41) fully online courses are being offered, and these are clearly marked on the course schedule.

To view the course schedule, go to academics.umw.edu/registrar. Select the option for "Course Schedules and Registration," then the option for "Schedule of Courses," and follow the instructions provided. Select Summer 2016 as the term and then the appropriate campus in order to see the courses offered.

UMW's summer session serves many different purposes:

- UMW Students: get ahead on work toward a degree or "catch up" by taking a course you need and haven't been able to take
- Visiting students: take courses to transfer to another college or university
- Qualified high school students: take a summer class to experience the challenges of college-level work
- Community members: see how taking a summer class offers a great chance to learn more about a topic of interest.

Contact the Office of the Registrar if you have questions about enrolling in summer courses. To learn about the objectives and requirements of any of the courses being offered, contact the instructor.

SUMMER CAMPUS SERVICES (CONTINUED)

Multicultural Center: Multicultural Student Affairs (and the James Farmer Multicultural Center) strives to facilitate students' learning and personal development, including that of under-represented groups, by increasing students' awareness and knowledge of diversity issues that frame both the individual and the community. The Center is located in the University Center, room 319.

Transcript Services: Students requiring an official transcript to be sent to another institution or agency at the end of the summer session must complete a transcript request via the online transcript request process available in the myUMW portal. Transcripts displaying summer grades will be mailed within two weeks of the completion of the summer session. Students may also request assistance on the Stafford campus or online at academics.umw.edu/registrar/transcripts

ACADEMIC POLICIES

All academic regulations are in effect during the summer session. Students taking undergraduate courses should consult the academic policies in the Undergraduate Catalog, found at publications.umw.edu/undergraduatedcatalog/academic_policies. Students may also contact the Office of Services in Lee Hall 206.

Students taking graduate courses should consult the academic policies in the Graduate Catalog, available at publications.umw.edu/graduatecatalog/admissions-and-enrollment. Students may also contact the designated academic advisors in the College of Business or the College of Education.

Below are specific policies, procedures, and regulations that apply generally to both campuses.

Course cancellations: Classes shown in the Schedule of Courses will be taught except for when unforeseeable circumstances arise. In the unlikely event a course is cancelled, the student will be given the option of enrolling in another course or receiving a full refund.

Course load maximums (undergraduate students): During the summer session, students may take a maximum of 18 credits. The maximum allowable course load in one five-week term is nine credits. Students wishing to exceed nine credits in one five-week term must receive permission from the Office of Services for an overload.

Dropping or withdrawing from a course: Discontinuing attendance in a course does not constitute dropping the course. A course is not officially dropped unless the student has dropped the course online or completed the appropriate form in the Office of the Registrar or at the Stafford campus. Consult the calendars published in this document for deadlines.

Incomplete grades: Incomplete grades are issued on a case-by-case basis when students cannot complete the assigned work or final examination for a particular course due to unforeseen circumstances. Supporting documentation

Services for Students with Disabilities: The Office of Disability Resources coordinates reasonable and appropriate accommodations for qualified students with disabilities. These accommodations may include, but are not limited to, extended time on tests, note-taking assistance, sign language interpreters, enlarged print materials, permission to record lectures, and distraction-reduced testing sites.

In order to receive services, students must provide appropriate professional documentation of a substantially limiting condition and discuss appropriate accommodations with the Director of Disability Resources. Documentation guidelines for specific disabilities may be found on the Disability Resources website at academics.umw.edu/disability or by requesting it from the office at (540) 654-1266. The Director verifies the disability, determines reasonable accommodations in collaboration with the student, and acts as a liaison between students, faculty, and administration on issues relating to services or accommodations. The Office of Disability Resources is located in Lee Hall, room 401.

may be required. A grade of I is issued in lieu of an actual grade for the course. To secure permission for an incomplete grade, the student and faculty member must communicate in writing (such as an email), clearly stating the reason for the incomplete, the work to be completed, and the due date. If appropriate, students must drop any subsequent course for which the incomplete course is a prerequisite. Students must complete the course work by the specified contract date which will be no later than the end of the fall 2016 semester, whether enrolled in University course work or not. A grade of F will be applied automatically to the course after the completion deadline has passed if the student fails to complete the work or the faculty member submits no other grade. The grade change must be submitted to the Office of the Registrar by the instructor no later than end of the fall 2016 semester.

Instructor-initiated drops: An instructor may drop a student from a class roster if the student fails to come to the first meeting of any class. Students who will miss the first class for legitimate reasons should contact the instructor in advance and make the necessary arrangements for keeping up with material that will be missed.

Pass/Fail: Students may take only one course during the entire summer session on a pass/fail basis. A grade of "PA" (pass) does not have an effect on the grade point average; however, a grade of "FA" (fail) counts the same as an "F" in a graded course and will lower the grade-point average. Pass/fail grades are not the same as "S/U" grades (satisfactory, unsatisfactory) that are used to evaluate physical education courses. Courses taken pass/fail do not fulfill major or general education requirements.

Refunds: Refunds for courses dropped are granted according to the refund schedule published on page 4.

Repeating a Course: Students who have received a grade of "C-" or lower may repeat that course if they have not already received credit for a higher-level course for which the repeated course is a prerequisite. No more than three courses may be repeated during the entire summer session.

GENERAL EDUCATION REQUIREMENTS

A degree-seeking UMW student must complete the general education credits/courses as required by the degree program in which the student is enrolled. General education requirements may be completed by UMW coursework or by approved equivalent transfer coursework, as defined by the University's transfer credit policies. With the exception of an internship taken to fulfill the Experiential Learning requirement, no General Education coursework may be completed on a pass/fail basis. REGISTERING FOR SUMMER SESSION COURSES:

ONLINE COURSE LISTS AND REGISTRATION INSTRUCTIONS

1. Online registration for the summer session will be available beginning March 7, 2016, for continuing UMW degree-seeking students. Detailed instructions for using the online registration system are available at academics.umw.edu/registrar/course-schedules-and-registration.
2. Advisors are not required to meet with students and approve course selections for summer session registration, although students are strongly encouraged to consult with their advisors about courses they plan to take in the summer. Please note: **M.Ed. students at the Stafford campus must meet with their faculty advisors before they may register.**
3. Registration appointment times are not assigned for summer session registration. Students may go online to register at any time starting on March 7 until registration closes.
4. The schedule of summer session courses is available at academics.umw.edu/registrar.
This schedule is dynamic and is updated as soon as any course changes occur.
Select the option for "Schedule of Courses," term summer 2016, and then select undergraduate or graduate level. Select the option for "Open Courses" (with the same term and level) to see a list of courses in which spaces are available.
5. Registration for courses requiring special permission of any kind (to take an overload, to take a course out of sequence, etc.) must be done in person at the Office of the Registrar (Lee Hall, room 206) or through the student's academic advisor at the Stafford campus. Necessary forms, signed by all required parties, must be presented at the time of registration.
6. Registration for the fall 2016 semester overlaps part of the summer session registration period. Students will be able to register for fall 2016 during the assigned registration time after meeting with their advisor. (For Stafford campus students, only the M.Ed. program requires students to meet with an advisor before being able to register online.)
7. Prior to registering, students should check to see that there are no **holds** on their record. Students may see if there are any holds by selecting the "View Holds" option from the student menu in Banner. Holds will prevent students from registering online for the summer session, just as they do during online registration for the fall and spring semesters. Contact the appropriate office about a hold to resolve the problem and have the hold released. Once the hold is released, a student will be able to register.
8. When registering online or making schedule changes, STUDENTS SHOULD PRINT A COPY OF THEIR SCHEDULE.
9. NOTE: Once students have registered for summer classes, they will not be able to drop their last summer course without the assistance of a staff member in the Office of the Registrar.
