Proposal to Change Existing Program: Revise Requirements for an Existing Degree Program

Proposal 1: Broader Description of General Education Requirements

Rationale Statement:
All applicants to the BSN Completion Program are required to have attained their RN licensure and to have successfully completed either an accredited associate’s degree program or diploma program prior to being admitted to the program. General education requirements for an Associate of Arts in Nursing vary among programs. Adapting a broader description of general education courses will assist in creating a seamless progression in nursing education.

Impact Statement:
This change has the potential to improve the application rate to the program. This change will have no impact on the library, space budget, technology or other university areas.

Catalog Copy:
Current:
Anatomy and Physiology I and II, and Microbiology* (to be taken during Community College preparation) – 12 credits
ENGL 101 (Writing Workshop) or equivalent – 3 credits
ENGL 202 (Writing Seminar) or equivalent – 3 credits
Social Science – 6 credits
Humanities – 3 credits
(*If a 1 credit Microbiology courses was taken, 3 credits for Pharmacology can be added to complete the credit requirement.)

Proposed:
Sciences (to include Anatomy and Physiology): 12 credits
English Composition: 6 credits
Social Sciences: 6 credits
Humanities: 3 credits
