ACCESSING ONLINE COURSE INFORMATION – PREREQUISITES, COREQUISITES, AND MORE

Find the links to online schedules of courses **here**. The schedules include all courses and information about each course. To learn about any restrictions for any course, such as prerequisites or corequisites, find the course in the listing, which will be followed by columns listing information about the course. Look under the column headings "CO" for corequisites and "PR" for prerequisites. If any of these categories contain the letter "Y," there is more information required you need to know before registering for the course. To find that information, click on the CRN number. This will take you to the section. Click on the title to review any restrictions.

REGISTRATION IN CLOSED CLASSES = CC PERMIT

Students may register for courses that are closed or full, with instructor

permission. If the instructor gives the closed class permission, two separate actions must occur to complete registration for a closed course:

1. The instructor must put the closed class permission on the student's record in Banner.
2. Once permission has been entered, the student must register for the course. It is the student's responsibility to do so. To register, the student must add the Course Registration Number, CRN, utilizing the "Enter CRNs" tab at the top of the screen then click "Add to Summary." Students must then complete the registration process by clicking "Submit Changes" and ensuring the class is successfully added to their schedule for closed courses in order to receive credit for them.

NOTE: If the course requires CC and POI and is closed, the instructor must put both codes on the student's record before the student may register. Additional help regarding Registration Overrides can be found **here**.

REGISTRATION IN PERMISSION OF INSTRUCTOR CLASSES = POI PERMIT

Students may register by permission of the instructor for courses that are marked POI. If the instructor gives permission, two separate actions must occur to register for a POI course:

1. The instructor must put the permission of instructor code on the student's record in Banner.
2. Once permission has been entered, the student must register for the course in order to receive credit.

NOTE: If the course requires POI and is closed, the instructor must put both CC and POI codes on the student's record before the student may register. Additional help regarding Registration Overrides can be found **here**.

PAYMENTS, REFUND POLICY, and PROCEDURE for WITHDRAWING or DROPPING COURSES

PAYMENT OF FALL SEMESTER FEES

All Fall 2020 semester payments for continuing students must be received in the Office of Student Accounts by the due date on the student's bill which will be posted in EaglePAY. For students receiving financial aid, awards will appear as credits on the Fall 2020 semester bill in the amount of one-half of the annual award. For the account to remain in good standing, any balance not covered by financial aid or Guaranteed Student Loan proceeds must also be paid by the due date on the student's bill, which will be posted in EaglePAY. Any payment received after the posted date will be considered late. Late payments are subject to possible late fee's (10% of the outstanding balance, up to a max of \$250) and a possible cancellation of classes. However; failure to pay tuition and fees does not serve as a student's notice of cancellation of classes, nor does it relieve the student of the responsibility of submitting a notice of cancellation in writing before the first day of classes.

Students who decide not to attend the University after registering for the Fall term but before the first day of classes must immediately notify both the Office of the Registrar and the Office of Student Accounts. After the first day of classes, any registered student, regardless of class attendance, is liable for payment of all fees per the schedule below. Any absence from continuous enrollment at UMW may affect a student's UMW general education and/or UMW major requirements for graduation. Before discontinuing attendance, students should consult with the Office of Academic Services at the Fredericksburg Campus or their Academic Advisor at the Stafford Campus to ensure that they will be returning under the same degree requirements.
